

DISCOVER GUITAR USB

GUITAR LEARNING PACK

Rock out and record yourself!

DISCOVER GUITAR USB is the easiest way to learn to play and record yourself on guitar. This complete package is built around a stage-ready, six-string electric guitar with an all-wood body. Connect directly to your computer with ION's GUITAR LINK cable, learn to play with the step-by-step guide, and then record your performance with Guitar Rig LE software.

Learn to shred, and record your jams with DISCOVER GUITAR USB.
